

Professional Grant applications will be accepted October 23th - November 20th for the 2019-20 School Year.

Here is what you need to know:

- Go online and print the applicable application from the Kenston Foundation website; please note this year there are 3 applications – be sure to use the appropriate application.
- Complete the application with as much detail to explain your request for funding and attach any supporting documents to support your proposal.
- Scan the entire application and documents before the deadline to your building principal or other reporting official if you are not a teacher.
- The building principal or other reporting official must send their approval along with the application details directly to kenstongrant2019@gmail.com by or before 11:59 PM on November 20, 2019 to be considered by the Kenston Foundation grant committee.

It is a goal of the Kenston Foundation to award grants to the professional staff from the Kenston School District benefiting students across our education system. Grants awarded provide essential equipment, materials and financial aid. The Kenston Foundation grants are intended to fund projects and programs not typically financed by the Kenston School District but found to be worthwhile extensions of the approved curriculum. All grants will be considered if their efforts benefit the Kenston campus.

We look forward to reviewing your grant requests and awarding this year's selection winners in January 2020.
